

PROFESSIONAL STAFF TIME SCHEDULES

Contract Period

Professional staff will work the days specified by the district calendar and the number of days specified in their contracts. The number of days specified in the contract must equal the days in the district calendar.

Professional Staff Work Day

Principals will set the hours of duty for professional staff under their supervision. These hours of duty may be adjusted within the discretion of the principal, but the total hours on duty for the whole school year shall not be less than the cumulative total of school hours plus one hour daily.

Professional staff may leave their assignments during the school day to tend to personal business, with the principal's approval.
